1. Introduction: Student Induction Programme (SIP) 2026–27

The **Student Induction Programme (SIP) 2026–27** is thoughtfully curated to provide a comprehensive and deeply meaningful orientation for new students. Designed to facilitate a seamless transition, SIP 2026–27 integrates students into the vibrant academic environment, cultural ethos, and value-based education system of Shah Satnam Ji Girls' College.

Over a transformative **three-day** period, the programme serves as a robust foundation. Students will explore the college's vision, mission, and core values, and become familiar with the comprehensive academic framework, student support systems, and welfare mechanisms available on our campus.

Key Focus: Student Empowerment

- Promoting self-awareness and building deep self-confidence.
- Fostering discipline and emotional well-being.
- Encouraging potential exploration through motivational talks, expert lectures, and immersive tours.

Ultimately, SIP 2026–27 aims to lay an enduring foundation for nurturing responsible, confident, and values-oriented individuals, ready to thrive throughout their educational journey at Shah Satnam Ji Girls' College.

2. SIP Program Objectives

The Student Induction Program (SIP) at **Shah Satnam Ji Girls College, Sri Gursar Modia** for the academic session **2026-27** is designed to facilitate a smooth transition of new students into the college environment and to prepare them for a meaningful, responsible and value-based academic journey. The following objectives guide our student-centered induction approach:

- 1. Building Institutional Connect & Values:** To help students connect with the heritage, mission, vision and core values of the college. This objective fosters a sense of pride, belonging and commitment towards the institution and its culture.
Key words: (Institutional Identity, Values, Belongingness, Vision, Commitment).
- 2. Enriching Learning Experience:** To nurture curiosity, creativity and academic excellence by encouraging students to explore, question and learn through interaction, innovation and use of academic resources.
Key words: (Learning, Innovation, Curiosity, Academic Resources, Excellence).
- 3. Personal Growth & Life Skills Development:** To empower students with essential life skills, effective communication, emotional intelligence and leadership qualities that promote confidence, discipline and responsible citizenship. *Key words:* (Life Skills, Confidence, Leadership, Communication, Emotional Well-being).
- 4. Social Responsibility & Sustainability Awareness:** To sensitize students towards environmental conservation, community service and social inclusion through active participation in outreach and sustainability initiatives. *Key words:* (Sustainability, Social Responsibility, Community Engagement, Inclusivity, Environmental Awareness).
- 5. Student Support & Well-Being:** To ensure physical, mental and academic well-being of students by providing guidance, mentoring, counseling and timely support services for a balanced and successful college life.
Key words: (Well-being, Mentoring, Counseling, Guidance, Support Services).
